

Petition to Save the Bonner Bridge

This petition is signed by residents of School District 14, Bonner Montana, who support the **preservation** of the historic Bonner Bridge in perpetuity.

The Bonner Bridge, established in 1921 is a landmark feature of the community. Since its decommissioning in 1949, the bridge has **served** the community by providing safe pedestrian access across the Blackfoot River.

Through the process of **bridge mitigation**, the Bonner Bridge will need to undergo improvements to ensure its safety commensurate to the work being done on the two Interstate 90 bridges, the State hwy 200 bridge, and the MRL bridge.

Through the process of **Restoration**, the Bonner Bridge will need to be rehabilitated to reflect the pride of the community.

This petition is signed by residents of School District 14, Bonner Montana, who support the **preservation** of the historic Bonner Bridge in perpetuity.

The Bonner Bridge, established in 1921 is a landmark feature of the community. Since its decommissioning in 1949, the bridge has **serviced** the community by providing safe **pedestrian** access across the Blackfoot River.

Through the process of **bridge mitigation**, the Bonner Bridge will need to undergo improvements to ensure its safety commensurate to the work being done on the two Interstate 90 bridges, the State hwy 200 bridge, and the MRL bridge.

Through the process of **Restoration**, the Bonner Bridge will need to be rehabilitated to reflect the pride of the community.
